

## Someone that Cares.

She stood beside me thru thick & thin, She's a sure bet if you want to win. She's a small power house that knows how to fight especially when she knows she's right. To stand beside her made me proud, the day we won we were both on a cloud. To have an attorney as kind as she brought back faith inside of me, thru our fight I gained a friend. Her hope, power & strength I will carry within until my time comes to an end. She has taught me valuable lessons thru out the years so forever I will hold her near, she taught me to have no fear for that I thank her each and every year. Her name is Jill Teller a name you shouldn't take lite if you come across her looking for a fight, she gives her all & knows what's right & for that you should feel a little fright.

I love you Jill.

you are a very special person & I hope you never ~~lose~~ lose your fire & don't ever forget that you are a very kind & special lady. I can never thank you enough for all that you've done, mostly I thank you for believing in me.

Love always your friend Chris Bias
